

SMARTSOURCE

# TECHNOLOGY SOLUTIONS

Serving The Entertainment Industry  
For More Than 35 Years

## TECHNOLOGY RENTALS ON YOUR SCHEDULE

**From powerful rental equipment to around-the-clock technical support**, our team will ensure your project runs smoothly and that you have all the tools you need, when – and where – you need them.

### WE KEEP PRODUCTIONS PRODUCTIVE

With more than 35 years of experience working with creatives in the entertainment industry, we understand that every project is different. Whether your project takes a week or a year to complete, SmartSource® can accommodate your equipment rental needs with our multi-million dollar inventory, in stock and ready to go.

- Desktop Computers (Windows & Mac)
- Laptops (Windows & Mac)  
(including newest MacBook Pro laptops)
- 4K TVs
- Presenter Kits/Video Conference Kits
- iPads & Tablets
- ScanSnaps
- Copiers & Printers
- VIBE Board Interactive Digital Whiteboards

For more information on our high-performance equipment, or to discuss a more custom solution, please contact me today. I look forward to demonstrating our white-glove service that so many studios and production companies have come to know and depend on.
